PRACTICE MANAGEMENT OPERATIONS AND**

REVENUE CYCLE PROCESSES?

**ENSURE THAT THE TIME YOU SPEND
WITH YOUR PATIENTS IS CODED AND BILLED PROPERLY.**

OPTIMIZE BILLING | INCREASE COLLECTIONS | DECREASE DENIALS

BILLING SERVICES

e-MDs Billing Services will aid you in regaining control over all of your Practice Management processes. Your dedicated team of professionals will:

- Customize a comprehensive billing solution applicable to all specialties
- Process charge entry, patient billing and payment posting
- Provide insurance claims scrubbing and submission
- Offer consulting services to assist with credentialing, practice optimization, coding, fee schedule setup, and more...
- Generate comprehensive financial reports to view your operations at a glance
- Develop flexible pricing options customized to the unique needs of your practice

Unleash the power and efficiency of your award-winning, integrated e-MDs EHR/PM system. Our extensive solutions improve your practice by:

- Optimizing and streamlining collections and billing utilizing e-MDs Solution Series™
- Assigning CPC® certified and specialty certified coders as dedicated account representatives for your clinic
- Reallocating valuable resources to more strategic areas of your practice
- Improving cash flow by reducing total days in accounts receivable
